Eligible employees may rejoin Weight Watchers up to 3 times after they successfully complete their first series of the calendar year, but they must first provide proof of participation in the prior series. If you did not meet the participation requirements in a series you will not be eligible to renew again in 2010 at no cost, but you may rejoin by paying the special national pricing. Here's what you do to rejoin after successfully completing a series:

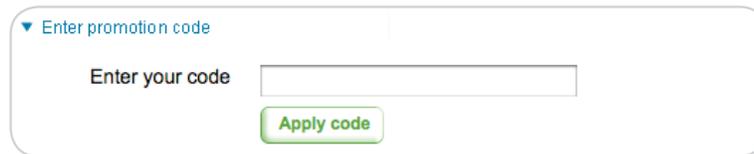

1. **Click here** ➡ to download a Participation Form.
 - A. **For meeting attendees** - fill out the form in its entirety and ask your Weight Watchers Meeting Leader to sign it attesting to your meeting participation. You will need to provide proof of participation in 10 out of 13 weekly meetings. (In the southern Oregon counties, it's 8 out of 10 weekly meetings, if you're attending community meetings.)
 - B. **For the Online subscription** - download your "Weight Tracker" summary showing at least 10 weeks of participation before you cancel. Attach this to the completed Participation Form.
2. Fax the completed form and attach all necessary proof of participation to: **1-888-598-7704**. Be sure the form states the way you want to receive your new access code - email or telephone. It may take up to 7 days to receive your access code so do not delay.
